

We had such a great time at the BBB Foundation's first annual Mardi Gras Casino Night! Attendees enjoyed the Blackjack, Poker, Roulette and Craps tables, along with our Hors d'oeuvre buffet and excellent music.

The Mardi Gras themed decorations, the beads, masks, hats and tiara's made the evening very festive. If you didn't have a chance to join us, plan to be there next year when it will be even bigger and better!

We had some fierce competitions going on to win our **Grand Prize** - a trip to Kissimmee, FL for an eight day, seven night condominium stay donated by **Global Connections**. And our Second Place prize, a Garmin GPS, donated by **Garmin International**.

All other players cashed in their chips for raffle tickets to be entered into our drawing for the other fabulous prizes donated by the following:
